

2nd IEEE Upstate New York Workshop On Sensor Networks

General Chair

Pramod Varshney
Syracuse University

Steering Committee

Wendi Heinzelman
University of Rochester
Lisa Osadciw
Syracuse University
Sergio Servetto
Cornell University
Pramod Varshney
Syracuse University

Technical Program

Co-Chairs

Biao Chen
Syracuse University
Wendi Heinzelman
University of Rochester

Technical Program Committee

Mark Fowler
Binghamton University
Johannes Gehrke
Cornell University
Shivkumar Kalyanaraman
RPI
Rajit Manohar
Cornell University
Raghuveer Rao
RIT
Lang Tong
Cornell University

Local Arrangements

Lisa Osadciw
Syracuse University

Publicity

Wendi Heinzelman
University of Rochester

Friday, October 10, 2003

9:00 A.M.—5:00 P.M.

Syracuse University Sheraton Hotel
801 University Ave., Syracuse, NY

CALL FOR PARTICIPATION

Following up on the success of last year's workshop, we are once again holding this workshop to bring together researchers working on different aspects of sensor networks. The goal is to provide a forum where we can meet each other, learn about the research we are all doing in this area, and provide an opportunity for discussion. This may lead to collaborations and teaming opportunities.

We invite all those interested in sensor network research to attend this workshop. There will be oral presentations and a poster session highlighting recent research on sensor networks. An advance program can be found on the workshop website:

<http://comlab.ecs.syr.edu/workshop/files/advanceprogram.html>

REGISTRATION

Workshop participants must register for the workshop via the website <http://comlab.ecs.syr.edu/workshop/> by September 26, 2003. Cost is \$45 and includes parking and lunch. The student rate is \$35. Note that space is limited, so registration will be on a first come, first serve basis.
